

MELINDA THAN

Fall 2019 Director of Community Outreach

INTRODUCTION

I am excited to be running for the Director of Community Outreach position for the Fall 2019 semester. I am proud and honored to be around so many driven and talented individuals in this organization. After being on the Spring 2019 board, I would like to continue to give back to the CSULB ALPFA community by bringing more meaningful community events and sponsorships for our chapter. As a servant-leader, my focus is to serve our ALPFA members by providing unique opportunities for them to give back.

QUALIFICATIONS

- ALPFA Director of Events
 - Spring 2019 Lunch with Professionals:
 - Doubled student and professional attendance (85% of RSVPs were present during the event)
