DIRECTOR OF CORRESPONDENCE | FALL 2019

INTRODUCTION

It is with great pleasure and honor to have been nominated to run as Director of Correspondence for Fall 2019. The organization has given me so many great opportunities and it was the 2018 National Convention that showed me what ALPFA really meant. Throughout my association, I have been able to connect with members and professionals from all over the country. Therefore, I hope to bring value and success to others. ALPFA has given me a second family that truly takes care of their own.

QUALIFICATIONS

My involvement with the Newsletter, PEG, and Marketing Committees have given me the experience to effectively communicate in team settings and contribute to the organization. In my current part-time job, I have the opportunity of communicating with management and alleviating any concerns nationwide. I intend on consolidating my knowledge that will best serve ALPFA.

THE PLAN

I will be working towards maintaining the current communications while updating and implementing new methods. I look forward to contributing to the ALPFamilia's personal and professional growth within the chapter. My end goal is to connect all members, professionals, and chapters effortlessly where everyone can prosper.
