

DIRECTOR OF EVENTS

SPRING 2020

# KAREN GOMEZ

## INTRODUCTION:

Hello ALPFamilia! I am so honored to be running for the Director of Events for Spring 2020. I have been a part of Alpfa now for two semesters now. The impact this organization has made in my life is tremendous, and I have every single one of you to thank for that. Alpfa has helped me grow and develop valuable work and personal skills that has made me the person I am today.

## QUALIFICATIONS:

I have been working on campus at the Associated Students Business Office for over two years now and have worked my way up to be the Accounts Payable Assistant. This job has allowed me to get hands on experience with my major and know what it is like to work in a business environment. Also, I recently had my first internship at Ingram Micro Inc. in Irvine, CA as a Corporate Controller Intern. This internship really challenged me in many different ways and allowed me to get a better idea of what life after graduation is like. Lastly, I am the Vice President of Student Services for the Associated Business Student Organizations Council for this academic year. This position has enhanced my communication skills, challenged me to speak in front of different audiences, and helped me get more organized allowing me to stay on top of everything. All of my experiences have helped shape me to be the person I am today and I cannot wait to apply these skills and create memorable events for us all.

## MY PLAN:

My goal and plan as the Director of Events for Alpfa is to get creative and plan memorable events for the organization and bring everyone together. I look forward to creating these everlasting memories with you all and ending my undergraduate career by giving back to an organization that has done so much for me.
