

VICE PRESIDENT | SPRING 2019

AIRELLE JAVELOSA

INTRODUCTION:

Thank you to our ALPFamilia for the opportunity to run as ALPFA's Spring 2019 Vice President. This organization has given me a second home, and I am so grateful to have been a part of this board. I have grown increasingly passionate for this organization and am amazed by the endless support that it brings its members. Being a part of ALPFA has shown me the potential that people can have to empower and change the lives of others around them. I hope to be a part of this continuous progress and improvement as next semester's Vice President.

QUALIFICATIONS:

I have been involved in ALPFA for the past two semesters and took the position as Director of Events for Fall 2018. Throughout this semester, I have learned to balance school and work, and have experienced the demands that it takes to be on the board of ALPFA. I have learned the importance of collaborating with the other board members in order to successfully execute several events. As Director of Events, I worked closely with professionals, students, and other board members and have prepared me for the position as Vice President to continuously bridge these connections.

GOALS:

Being on the Fall 2018 Board has been one of the most rewarding experiences in my college years, and I hope to continue this journey as the Vice President next semester. As Vice President, I want to strengthen our current connections with professionals, but also expand our network to different companies to increase membership. I would also like to encourage the involvement with other ALPFA Chapters because they have been a great outside networking resource throughout this semester. I want to show our members the opportunities that the ALPFA network provides outside of CSULB. Thank you all for the consideration to be ALPFA's Spring 2019 Vice President!

"Never doubt that a small group of thoughtful, committed, citizens can change the world. Indeed, it is the only thing that ever has."

-Margaret Mead
